

I'm not robot!

It can return the majority of the new articles and unopened by Amazon Au within the 30 days after the reception of delivery for a replacement or total reimbursement of the price that it paid for the article if it changes their opinion; See replacements and refunds. In some cases, the nature of the article means that it is not returnable, for example, due to hygiene/health and personal care/welfare/nature consumable nature. In some circumstances, these elements can be eligible for reimbursement or replacement (for example, if you receive the incorrect element due to an Amazon AU error or if the element is defective). Get in touch with us and see about the elements that can be returned. The new electronic elements fulfilled by Amazon Au can be returned for the change of mentality, for a replacement or a complete refund of the cost of purchase of the article within the 30 days after the reception of delivery. For the information about the return of defective electronic, see the defective articles that return. Unless otherwise indicated, the original shipment rates for the change of mind are not reimbursed. It is added that this policy return of the mind adds and does not affect its rights under the Australian consumer law, including the rights it may have with respect to defective articles. To return defective elements, see our policy of defective elements that return. For the articles ordered on Amazon.com.au from a seller who fulfills and sends his own inventory (also called a third party seller), any return will agree with the policy of returns established by that seller (not the policy of Amazon Au returns). Consult on the return and refund market to obtain details on the velocation polyics of the seller. See our return policy Amazon Global Store and refunds for more information on returning items from Amazon Global Store.
